¹ In the event this Appendix 1 refers to a service that is not available under the Agreement, the Agreement shall control. Nothing in this Appendix 1 shall be deemed to require Verizon to provide a service that the Agreement does not require Verizon to provide. The Parties acknowledge that the rates and charges set forth in this Appendix 1 are subject to change pending decision(s) with respect to *In the Matter of Petition of WorldCom, Inc. Pursuant to Section 252(e)(5) of the Communications Act for Preemption of the Jurisdiction of the Virginia State Corporation Commission Regarding Interconnection Disputes with Verizon Virginia Inc., and for Expedited Arbitration*, CC Docket Nos. 00-218 and 00-251 ("Pricing Arbitration"). Further, nothing in this Appendix 1 shall be construed or used to waive, limit or interpret any arguments, positions, or statements by either Party in any regulatory, judicial, or legislative proceeding, including the Pricing Arbitration.

If the Parties are unable to reach a negotiated agreement on such adjustment within 30 calendar days after the date the Parties submit this Amendment to the Bureau, they may seek further arbitration of this issue. Once nonrecurring rates for these designed elements are established, this Appendix 1 shall be amended to set forth such new nonrecurring rates and, in any case, such new rates will be subject to a true-up that will be calculated for the period beginning on the effective date defined by the Bureau's Memorandum Opinion and Order released January 20, 2004, at para 42, provided that this Order has not otherwise been stayed, modified or reversed on appeal with respect to the design time adjustment.
